Serving to motivate and empower Latinas.

Who we are...

The League of Mexican American Women is a volunteer non profit organization that was established in 1973. The League's intent is to bring social, economic and educational awareness to the challenges that impact our community. In addition, our focus is to develop educational and leadership programs. The League has always showcased our rich Mexican culture that serves as a source of pride and self esteem to our community and the next generation.

Our Mission...

LMAW supports opportunities that will promote education, cultural identity and leadership development.

Education... Our commitment to increase the number of Latinos who pursue higher education is demonstrated in our annual program activities.

Adelante Mujer Conference provides women with information regarding higher education and career opportunities.

Scholarship Fund provides young Latinas the opportunity to acquire funds to pay for college or higher education tuition.

Fiesta Navideña provides the Fresno community the opportunity to partake in a benefit Fashion Show that generates revenue for the scholarship fund.

Culture... Our partnership with Arte Americas, Casa de la Cultura has provided opportunities to help raise funds for cultural activities and special projects.

Leadership... All of our events are made possible through the generous time, talent and resources of our membership volunteers.
